

Fleet Wash

Product Description

Fleet Wash is a high-performance equipment and fleet cleaner designed for mining operations, concrete trucks, and all construction equipment. It is formulated to effectively remove dirt, grease, and grime from heavy-duty soils while being safe for the environment and non-corrosive to all surfaces.

Composition:

- This environmentally friendly formulation contains water, cleaning boosters, and rinsing agents.
-

Key Features:

- **Environmentally Friendly:**
 - **High Efficiency:** Effectively removes heavy dirt, grease, and grime.
 - **Safe for Equipment:** Non-corrosive to metals and safe for use on all vehicle and equipment surfaces.
 - **Biodegradable:** Contains biodegradable components to minimize environmental impact.
-

Physical Properties:

- **Appearance:** Clear liquid
 - **pH:** 9.5 - 10.5
 - **Specific Gravity:** 1.07
 - **Solubility:** Completely soluble in water
 - **Flash Point:** Non-flammable
-

Application Instructions:

1. **Dilution:** For general cleaning, dilute Fleet Wash with water at a ratio of 1:10 to 1:20, depending on the level of dirt and grime. For the Ultra heavy soiled surfaces, dilute 1:5.
2. **Application:** Apply the diluted solution to the vehicle/equipment surface using a pump sprayer, brush, or foam applicator.
3. **Dwell Time:** Allow the solution to dwell for 2-5 minutes to penetrate and loosen dirt.
4. **Rinsing:** Rinse thoroughly with clean high-volume water for best results.
5. **Repeat if Necessary:** For heavily soiled areas, repeat the application process as needed.

Safety and Handling:

- **Personal Protective Equipment:** Wear appropriate PPE, including gloves and eye protection, when handling the product.
- **Storage:** Store in a cool, dry place away from direct sunlight. Keep container tightly closed when not in use. Do not freeze.
- **Disposal:** Dispose of in accordance with local, state, and federal regulations.

Packaging:

- Available in 5-gallon pails, 55-gallon drums, and 330-gallon totes.

Regulatory Information:

- Complies with all relevant environmental regulations.
- Phosphate-free formulation.

HMIS RATING	
Health:	0
Flammability:	0
Reactivity:	0
Personal Protection:	A
